Sir:

This Third Information Disclosure Statement is submitted under 37 C.F.R. § 1.97 ff within the time specified under 37 C.F.R. § 1.97(b)(3) or (c). Attached are copies of the references cited in the enclosed International Search Report, which were not cited in the Second Information Disclosure Statement filed September 8, 2000. A Form PTO-1449 listing the references is attached. In accordance with 37 C.F.R. § 1.98(a)(3), because the documents are in the English language, a concise explanation of its relevance is not required.

This Information Disclosure Statement is being submitted before the issuance of the first action on the merits of the application. If, however, this submission should cross with such an action, it is hereby certified that all items of information submitted herewith were cited in a communication from a foreign patent office in a counterpart foreign patent application, which communication was issued on November 29, 2000, and thus not more than three months prior to the filing of this submission. A copy of the communication, which is an International Search Report, is included herewith.

In view of the above, no further statement of relevance or translation of the foreign language documents need be given, and as all requirements of 37 C.F.R. § 1.97 and 1.98, and all official guidelines pertaining to Information Disclosure Statements have been complied with, it is respectfully requested that the Examiner consider the cited publications and make them of record.

Respectfully submitted
